EU Sustainable Consumption and Production Action Plan Briefing, evaluation, and action for Quakers

The Nabucco Gas Pipeline: A Chance for the EU to push for Change in Turkmenistan The report urges the EU to make hydrocarbon revenue management a priority in its relations with Turkmenistan. It should do this by seeking to engage the Turkmen government in the Extractive Industries Transparency Initiative (EITI), a scheme which addresses resource revenue management issues and provides protected space for independent civil society groups to operate.
Campaign: Write to your MEPs asking them to raise the issues covered in the QCEA 'Nabucco Gas Pipeline' report with the European Commission and EU foreign minister Catherine Ashton.

A call to bring the world together On February 28, 2008 Karen Armstrong won the TED Prize and made a wish: for help creating, launching and propagating a Charter for Compassion. Since that day, thousands of people have contributed to the process so that on November 12, 2009 the Charter was unveiled to the world.
